Join BEST at the Nashville Zoo on July 16th

2022 American Conference on CVI

Open for Registration

Regrettably, the American Conference on CVI (American Conference on CVI) and the American Conference on CVI (American Conference on CVI) have been postponed to the following dates due to unforeseen circumstances. The new dates for both conferences are as follows:

Check the calendar for the most up-to-date information.

BEST Activity Corner

Tennessee Reaps Coalition Voucher Program

The Tennessee Reaps Coalition Voucher Program is available for families with children who meet specific eligibility criteria. This program provides funding to families to support their child's participation in educational and recreational activities. The program aims to enhance children's learning experiences and promote inclusive environments.

IBP Curriculum for Young Children with Vision Impairment

The IBP Curriculum for Young Children with Vision Impairment is a comprehensive program designed to support the development of young children with vision impairments. The curriculum focuses on developing skills in communication, self-help, and social interaction, among other areas.
